COMMITTEE/COUNCIL ACTION:

Motion to approve the minutes from the May 11, 2015, September 1, 2015, October 1, 2015, and November 23, 2015 Budget & Finance Committee meetings.

MINUTES
SPECIAL CITY COUNCIL MEETING JOINT WITH BUDGET & FINANCE

MAY 11, 2015

Mayor Jeff Thompson called the meeting to order at 5:01 p.m. Council members present were Kay McDaniel, Jean Soine, Neil Herzberg, and Donovan Mayer. Others present were Renee Eckerly, City Administrator; Ron Mergen, Public Works Director; Jennifer Welling, Administrative Assistant/Zoning Specialist; JoLyn Lindquist, Social Media Specialist; Belinda Ludwig, Finance Specialist; Bill Ludwig, Liquor Store Manager; Elliot LaBeau, Doug Host, CliftonLarsonAllen, and Sarah Utsch, CliftonLarsonAllen.

2014 AUDIT

Sarah Utsch and Doug Host from CliftonLarsonAllen were in attendance to present and review the 2014 Audit which included the following:

- Required communications was clean which is the best a city can receive
- Internal Controls:
 - Lack of segregation of duties
 - Material audit adjustments
 - Financial statement preparation
- A 25 page check list was completed and found no findings
- One federal single audit was preformed
- City has 15 months of expenditures in reserves; the State Auditor wants 5 months of expenditures in reserves
- Debt Service
- Capital Projects
- Water/Sewer
- Liquor Store – 21.85% in gross profit; transferred \$43,000.00 into the general fund which is the largest amount is 6 years
- Increase in reserves of \$13,437.00

LaBeau questioned the single audits and when they are needed. Currently the threshold is \$500,000.00, but will increase to \$750,000.00 to 2015.

The pension standard was questioned for 2015. The #68 Account Standard was briefly addressed regarding liabilities and pension benefits.

Utsch and Host thanked the City for allowing them to serve as the City's Auditor.

There being no further business, the meeting was adjourned at 5:31 p.m.

Renee Eckerly, City Administrator

**MINUTES
BUDGET & FINANCE COMMITTEE**

SEPTEMBER 1, 2015

Jean Soine called the meeting to order at 4:45 p.m. Other members present were Neil Herzberg, Belinda Ludwig, Finance Specialist.; Renee Eckerly, City Administrator; Elliot LaBeau. Ron Mergen, Public Works Director was also in attendance.

Motion was made by Herzberg to approve the June 2, 2015 Budget & Finance Committee Meeting. Seconded by Ludwig and unanimously carried.

LIGHT POLES

Brackets for banners can't be made locally as they are specialized. It is the inside hole that is worn out. They are now 3/4 inch. If the City switches to decorative lights these brackets would not fit. It was suggested since the City is not painting the poles; don't purchase the banner brackets. This project will not be budgeted for due to bonding for the project.

COMMUNITY GARDEN WATERING

Mergen has not spoken to the Garden Club. The Park & Tree Board also discussed this and the mowing and weeding is not being completely done.

COMPOST SITE

Mergen distributed photos of garbage and roots that are being accepted and brought to the site. These items should not be accepted or brought out to the site as the Public Works employees are having to go through the site and remove the unacceptable materials. On Mondays staff has to open bags, dump leaves, and remove unacceptable items. Options include:

1. Have Hockey Association take over the entire Compost Site including paperwork, money, advertising, etc. and have the Association pay the City back for all hours that the Public Works employees are working to clean up after them.
2. Have one Public Works employee work the site with the Association at \$2,616.00 for the season and have the \$2,616.00 taken off of the \$6,500.00 that is given to the Association.

The Committee also discussed eliminating the \$200.00 Commercial Permit and buying ice time rather than donating to the Association.

Mergen and Eckerly will meet with the Association and Don Pietsch and bring back an update for a recommendation to Council.

PROPOSED 2016 BUDGET

Eckerly reviewed the budget revisions:

Revenues

- Interest income increased \$3,000.00 to \$18,000.00

- Compost permit fees increased \$200.00 to \$5,200.00
- Court fines increased \$1,150.00 to \$6,150.00
- Administrative fine decreased \$500.00 to \$1,500.00
- Election filing fees increased \$0.00 to \$10.00

Expenses

- Election – new equipment increased \$0.00 to \$300.00
- Building Inspection – travel & school increased \$1,000.00 to \$1,275.00 for certifications
- Emergency Management – telephone increased \$240.00 to \$890.00 for phone at shelter
- Emergency Management – new equipment increased \$5,000.00 to \$7,000.00 for shelter
- Trail – capital improvement – increased \$7,500.00 to \$16,000.00 for future maintenance of the trail
- Cable TV – capital improvement – increased \$500.00 to \$1,000.00 for capital improvement

Motion was made by Eckerly to approve the preliminary levy of 8% and recommend such to the city Council. Seconded by Herzberg and unanimously carried.

NEXT MEETING

The next meeting is scheduled for Tuesday, October 6, 2015 at 4:45 p.m.

There being no further business, the meeting was adjourned at 6:15 p.m.

**MINUTES
PARK & TREE BOARD MEETING**

OCTOBER 1, 2015

The meeting was called to order by Vice Chairperson, John Wimmer at 12:00 p.m. Members present were Len Gilmore, Jonathan Truwe, and Neil Herzberg. Nancy Ellis, Renee Eckerly, City Administrator; and Matt Dickhausen were absent. Advisory Members present were Lee Schleper and Ron Mergen, Public Works Director. Also present was Amber Barrett representing Act of Alzheimer's.

Motion was made by Gilmore to approve the minutes of the August 20, 2015 Park & Tree Board meeting. Seconded by Herzberg and unanimously carried.

ACT ON ALZHEIMER'S

Acts on Alzheimer's Amber Barrett was present and invited everyone to a presentation on dementia November 12, 2015. There will be a plaque declaring "Paynesville A Dementia Friendly Community". They would like to display the plaque at Gazebo Park, there was a short discussion on where and how to mount the plaque in the park.

Motion was made by Gilmore to recommend the City accept the Act On Alzheimer's plaque and place it in Gazebo Park and recommend such to the City Council. Seconded by Herzberg and unanimously carried.

GAZEBO PARK SPLASH PAD

The Board members reviewed the list of contributors and were asked to follow up on their list of people to contact. Thank you cards were signed and will be sent out. It was suggested to schedule a November meeting to following up on the fundraising efforts.

VETERANS PARK

Members reviewed the head lifeguard end of season questionnaire. Overall it was a very successful season, the weather was cooperative and they had very few rain days. Suggestions included:

- Stencil "No Running On The Dock"
- Wages, may need to go up, but this is not a Board decision
- Signage "No Fishing On The Dock When Swimmers Are Present"
- "No Alcohol" signage is missing
- Another umbrella, it was suggest to construct a shade tarp
- "Lifeguards Only" has to be painted on the bench

Members suggested following up on the above items and to purchase a splash mat. Members did not embrace the idea of moving the volleyball court up to the beach area.

COMMUNITY PARK

It was reported that the \$10,000.00 donation was received from the land sale for the apartment complex.

There being no further business, the meeting was adjourned at 1:00 p.m.

**MINUTES
SPECIAL BUDGET & FINANCE COMMITTEE**

NOVEMBER 23, 2015

Jean Soine called the meeting to order at 4:50 p.m. Other members present were Neil Herzberg, Belinda Ludwig, Finance Specialist.; Renee Eckerly, City Administrator; and Elliot LaBeau. Ron Mergen, Public Works Director was also in attendance.

Motion was made by Herzberg to approve the September 1, 2015 Budget & Finance Committee Meeting with changes. Seconded by LaBeau and unanimously carried.

PROPOSED 2016 BUDGET – COMPOST SITE

Eckerly and Mergen have been researching the installation of fencing with an automatic gate and using a pass card to use at the site. In addition, installing cameras so no one would need to man the site.

The Committee discussed putting a \$5.00 charge on all utility bills and all residents would have access at any time. Members discussed forcing people to pay for a permit when maybe they don't want one or need one. 800 residents at \$5.00 equals \$4,000.00. The key system is currently being used; however, the card system would allow people to go there anytime from 6:00 a.m. to 8:00 p.m. This would eliminate the staffing issue. Furthermore, there are non-compost items being dropped off. The other option is to make everyone come into City Hall and purchase a card for \$10.00.

The Hockey Association has been spoken to numerous times about the problems.

The Committee discussed limiting the number of trips, but the City does not want to discourage the use of the Compost Site. The estimated cost of the fence and gate is \$10,000.00 - \$12,000.00. The gate and camera system would eliminate the Hockey Association and some of the additional staff time involved. Some people don't have a trailer to haul to the compost site.

Mergen mentioned switching to decomposable bags that will just dissolve out there.

NEXT MEETING

There will not be a meeting in December.

There being no further business, the meeting was adjourned at 5:30 p.m.

Hi Renee;

Here's what we're looking for.

<http://www.ikea.com/us/en/catalog/products/70279070/> Ikea chairs, three, in turquoise
http://www.target.com/p/candace-arm-chair-prints/-/A-15777728#prodSlot=medium_1_2&term=candance+upholstered+arm+chair Target, two in Gabrielle Charcoal/Gray Medallion http://www.target.com/p/threshold-hourglass-accent-table/-/A-16976260#prodSlot=medium_1_1&term=threshold+hourglass+accent+table Copper accent table

Obviously, we're going for a young, contemporary look. These are inexpensive pieces, so may not hold up as long as 'office furniture'. However, we want a trendy look, and don't find that customers are hard on the furniture here: I think it's worth trying, but let me know what you think.

Thank you,

Subject: RE: Furniture for Paynesville Library

Thanks, Renee;

Some background, in case they have questions:

-The Friends of the Library have already purchased a flat-screen TV for this remodel, and they provided the mounting hardware as well. They will also pay for the difference between the cost of the desk and bookcase unit (being built for us) and the \$250.00 cash award we got as a result of the winning essay Jen Anfinson submitted to the nation-wide Sirsi-Dynix "I love my library" contest.

-The remodel is to repurpose the TV lounge into a TV lounge AND a tech training area where we can work one-on-one with customers to help them figure out how to use their smartphone, computer, tablet, eReader,. We also needed to increase the number of customer-use desk areas with electrical outlet access throughout the library, which the new desk area will do. Our free wireless Internet access gets more popular every day, and we find that all of those spaces fill up, and people end up stretching power cords across aisles and places with a lot of foot-traffic (until we tell them they can't, as they are risking their equipment AND causing a safety issue.)

-The armchairs with the little table between them will be a very good set-up for when we are tutoring customers on hand-held devices, and the desk area will be great for laptop tutoring.

-We have cable TV access (which was negotiated by the City when the cable contract was renewed), and we also have a DVD player. The TV gets a fair amount of use. However, it also has HDMI inputs, so we can use it to display the screen of a laptop or other device when demonstrating how to use devices, or the library's eBook software, for small classes on technology, as well.

-We wanted a younger, brighter look for this area, in part to make it stand out a bit and in part to give it a less traditional, more modern look. Jen's done a good job of finding items that match the library's

carpeting, shelving and trim colors, so it will be a pleasing look, just a lot less traditional and 'studious'.

Please let me know if you have any questions, or if any of the Council members have questions or concerns.

Happy Holidays, and thanks again!

Please review the attached After Prom donation request.

ADMINISTRATOR COMMENTS:

COMMITTEE/COUNCIL ACTION:

Motion to _____.

January 14, 2016

JAN 21 2016

Dear Sponsor:

The Paynesville After Prom Committee is pleased to be holding the annual After Prom Party for the Juniors and Seniors of Paynesville High School on Saturday and Sunday, April 30th and May 1st, 2016. The purpose of this party is to provide a safe and drug-free environment for our students at a lock-in at the high school following prom activities.

Our students look forward to this fun-filled evening each year as one of the highlights of their school year. Each student that attends the all-night party enjoys games, food, music and entertainment. They also look forward to the many prizes we are able to give away due to your support! Whether the students attend prom or not, this is an event open to all Juniors and Seniors at PHS free of charge!

With the average cost of this annual party running about \$7,000 we are once again asking for your help with funding. It would be greatly appreciated if your organization/business could donate to help defray the overall cost of this memorable event for our students.

Please make your check payable to Paynesville After Prom Party and mail it back in the enclosed addressed envelope by March 11, 2016. If you have a coupon or gift to donate that needs to be picked up, please call Shanna Jenkins at (320) 309-9956 or Connie Hess at 320-309-2899 and we will arrange to collect any donations that could not be mailed. We appreciate any donation you can give!

While it is difficult for us to find enough volunteers to personally thank each sponsoring business/organization face-to-face, please know that **your contribution is very much appreciated and without all of you this would not be possible!!**

Many of you have been strong supporters of this event for many years and we thank you very much for your consideration and support!

Sincerely,

Shanna Jenkins

Dear Renee

Thank you for the update regarding the need to replace your old decorations. Enclosed is the quote that I e-mailed to you earlier and our catalog. Our decorations are made right here in Becker, MN and if an on-site visit to the factory would help, I can arrange a time to meet with your group there.

By adding banners into the mix, you reduce the cost for the program and add that needed punch of color during the day. I am not sure what size banner you currently have so that would need to be checked if you like this idea.

We offer both screen printed and digitally printed banners and in the plan I priced with a (3) ink color screened banner. Other screened designs are available in (1) and (2) ink which would be less and you can also consider our digital images.

I look forward to hearing from you after you meeting and feel free to contact me if you need information prior to your meetings. Thank you!

Sincerely,

Cheryl Legan

Agenda Section: Old Business

Originating Department: Administration

Item Number: IV - A

ITEM DESCRIPTION: Compost Site Costs

Prepared by: Staff

COMMENTS:

Ron Mergen will be in attendance to discuss the attached proposed costs to upgrade the compost site to an electronic key card and gate system.

ADMINISTRATOR COMMENTS:

COMMITTEE/COUNCIL ACTION:

Motion to _____

Compost site Proposal

The two main issue with the compost site are residents requesting additional hours and debris or trash left behind.

Proposal is to install an electronic key cards that will open the gate 7 days a week if we choose and a surveillance system to monitor the activity in and out.

Preliminary costs

1. Electronic gate and key pad system	\$ 10,000.00
2. Security Camera System	\$ 9,000.00
3. Xcel to bring power to the Compost site	\$ 22,000.00
Estimated Total Cost	\$ 41,000.00

How to fund the system

The idea came from Sherburne County and they utilized SCRE funds to in four sites in their County See attached info.
