Item Number: V - C

ITEM DESCRIPTION: MRWA SDWA Training Session

Prepared by: Staff

COMMENTS:

Lee Schleper and Ron Mergen are interested in attending the MN Rural Water Association (MRWA) Sate Drinking Water Act (SDWA) Training Session in Waite Park, MN on November 30, 2016. There is no registration free; however, there will be mileage, meals, and staff time.

ADMINISTRATOR COMMENTS:

COMMITTEE/COUNCIL ACTION:

Motion to approve the attendance of Lee Schleper and Ron Mergen to the MN Rural Water Association (MRWA) Sate Drinking Water Act (SDWA) Training Session in Waite Park, MN on November 30, 2016.

4

MRWA SDWA Training Session

November 30, 2016
SDWA Training

Safe Drinking Water Act Compliance Training

8:00am **Understand the Revised Total Coliform Rule and Groundwater Rule**

**Water Distribution System: learn how to properly install distribution system products and understand the importance of using proper equipment so you don't void the factory warranty.*

**Cross Connection Prevention: discover the importance of having a valve program to prevent cross connections during a meter change-out or water main break.*

**Water System Wells: review well drilling techniques, well operation and maintenance, and the importance of an annual inspection of your wells.*

**Water System Sampling: learn about the importance of proper sampling techniques and understanding the proper laboratory techniques to get the best sampling results.*

**Water Reservoirs: see how to keep your water reservoir mixed and turning-over and how to keep your reservoir mixed to maintain proper chlorine residuals. Reservoir cleaning, mixing, and maintenance is all an importance part of your job.*

12:00pm **Lunch - (On Your Own)**

1:00pm **Understand the Revised Total Coliform Rule and Groundwater Rule** ***continued***

**Water Treatment Facility Hazard Recognition: understand the rules, regulations, and requirements of Minnesota OSHA. Don't let slips, trips, and falls 'trip' you up.*

**Security Intelligence Sharing: discover what to look for in criminal acts and terrorism in the water industry. Learn about the 'If you See Something, Say Something!' campaign.*

**Water System: review municipal backflow and cross connections update, water certification updates, and water issues in Minnesota.*

4:00pm **End of Day**

City of Waite Park
City Hall (Lower Level)
19 13th Ave. N. & Division St.
Waite Park, MN

About the Class:

Get valuable information you need from our expert trainers to maintain compliance with the Safe Drinking Water Act (SDWA) and state regulations.

Technical assistance to address compliance issues is available from Minnesota Rural Water Association at no cost.

Support Minnesota Rural Water Association
Training | Technical Assistance

6 certification hours | FREE of charge!

To Register: call: 800-367-6792 or online at: www.mrwa.com (use the training calendar fast track menu).

***Instructors**: E.H. Renner & Sons, Inc.; Hach Company; Minnesota Fusion Center; Minnesota OSHA; Mueller Company; Water Tower Clean & Coat, Inc.; and Minnesota Rural Water Association.*

This training is brought to you through a grant by the National Rural Water Association and US EPA.

Attend this session and learn how to keep your water system in compliance with state and federal drinking water regulations!

PROPOSAL

Date: October 26, 2016

Client: Renee Eckerly
City Administrator
221 Washburne Avenue
Paynesville, MN 56362

Project: **Paynesville City Office – Front Counter Renovation**
Paynesville, MN

Proposed Project Assumptions

Project includes renovation of the front customer counter in the City Office to increase security for City staff.

Scope of Services

Services to include complete architectural design services provided in the following phases:

Schematic Design Phase

Schematic Design involves establishing a program that defines the functions and sizes for the design project.

Design Development Phase

Design Development refines floor plan and elevations with attention to special features.

- Regular meetings/communication with the project team.
- Coordinate with code officials as needed for regulatory approvals.
- Review and approval of Design Development drawings.

Construction Documents Phase

Construction drawings detail the final design for construction.

- Regular meetings/communication with project team.
- Coordinate documentation from all design disciplines under our contract and the Owner's consultants.
- Plan review meeting to coordinate architectural documents with the Owner at midway point of Construction Documents phase.
- Meet with the Owner to finalize value engineering and enhancement alternates. This is to be done prior to the midway point of the completion of Construction Documents.
- Specify selections for all interior colors and finishes of casework and present to committee for approval of finish selections.
- Complete the architectural plans and specifications.

Bidding and Negotiation

During the bidding phase, we will provide clarifications and issue Addenda as necessary. We also consult with the Owner regarding preferred subcontractors, possible material substitutions, and contractual arrangements.

- Procure the reproduction of the bidding documents.
- Distribute the bidding documents to prospective bidders.

- Maintain a log of bid document distribution.
- Prepare responses to questions from prospective bidders and provide clarifications and interpretations in of the bidding documents in the form of addenda.
- Organize and conduct the opening of the bids and subsequent tabulation and distribution of the bid results.

Construction Administration

During construction, we will approve materials and procedures. We will observe construction and work with the Contractor to solve problems that may come up. We will review pay applications and verify status of work complete. Finally, we will inspect the project for conformity and level of completion before final payment.

- Review shop drawings of architectural and structural components of building.
- Regular meetings on-site as required.
- Provide phone consultation and electronic correspondence, as required, during construction.
- "Request for Proposals", and "Requests for Information" will be drafted by the Contractor, with copies to the Architect.
- Prepare documentation necessary to clarify the intent of the documents.
- Conduct substantial completion inspection on site of each component of the building structure and exterior site work.

Compensation

Compensation shall be hourly, per the "Negen and Associates 2016 Fee Schedule", plus reimbursable expenses. Based on the scope of the project, the hourly fees are estimated to be $8,500.00. This estimate does not include reimbursable expenses (mileage, printing, etc.) that would be billed in addition to the professional fees.

Structural, Mechanical and Electrical engineering services are not included in the compensation amount.

The compensation will be billed monthly for actual hours of service provided and expenses incurred on the project.

All invoices are due within 30 days of invoice date. Past invoices will be charged interest at 1.5% monthly.

Scope Assumptions

- Production of Record Drawings is not included in the base compensation.

This Agreement entered into as of the date written below.

COMMITTEE/COUNCIL NAME: City Council

Committee/Council Meeting Date: November 14, 2016

Agenda Section: New Business

Originating Department: Administration

Item Number: VI - D

ITEM DESCRIPTION: Airport Fuel Price Policy

Prepared by: Staff

COMMENTS:

Ron Mergen will give a verbal report. Excerpt from the October 24, 2016 Airport Commission Meeting:

FUEL PRICE POLICY & HANGAR RENT POLICY

The current policy was reviewed. The last changes to the policies were made in 2012 with the fuel upcharge at.36 cents and the hangar rents at $120.00/month for South facing hangars and $100.00/month for a North facing hangars.

The budget revenues and expenditures were reviewed in detail. Members questioned if anything in the budget could be cut. Large budget items are hard costs with very little control. The maintenance and repair of grounds is 90% snow removal. It was also explained that the City is losing on average $6,121.00 per year which is being subsidized by the tax payers.

Members reviewed the survey that was in the agenda. The fuel price at $3.63 is on the low end. Other local airports will follow the City's lead if Paynesville increases the price to cover the costs; they will also go up. After a short discussion,

> Motion was made by Whitcomb to increase the upcharge of fuel by $.10 and recommend such to the City Council. Seconded by Kranz and unanimously carried.

ADMINISTRATOR COMMENTS:

COMMITTEE/COUNCIL ACTION:

Motion to increase the upcharge of airport fuel by $.10 per gallon, effective immediately.

Federal Signal 2001 Series Siren

Features

- **High-powered rotating siren for maximum coverage**
- **Available in low and mid-range frequency**
- **Three distinct warning signals**
- **Maintenance-free sealed bearing motors**
- **Weather-resistant coating**
- **5-year limited warranty**
- **AC or Solar powered with battery operation or back-up**

The Federal Signal 2001 Series siren is a high power, rotating, uni-directional outdoor warning siren. The high-decibel output provides maximum coverage with minimum installation cost. Radio/cellular/satellite or wireless IP activation can further minimize installation costs by eliminating the need for leased dedicated control lines.

The siren's projector produces a 60-degree projection of sound which rotates at 3 RPM and can produce three distinct warning signals: steady, wail and fast wail. The 2001 Series siren will supply a minimum of 15 minutes of full power output from its batteries after AC power loss. The siren controls are available with battery operation, solar, AC operation, and AC operation with battery back-up, one-way and two-way radio control, wired or wireless ethernet, satellite/cellular or landline. The 2001 Series is offered in low frequency (490 Hz) or mid-range frequency (790 Hz).

Ideal applications for this warning siren include hazardous weather conditions, fires, floods, chemical spills and other types of community or facility emergencies.

2001 Series Siren
Specifications

Power[1]

Sirens can be powered from 120VAC, 240VAC, with battery back-up or battery operation. Solar powering can also be provided.

Signal Information

	2001-130	Equinox
Signal /Sweep Rate	Frequency Range	
Steady /Continuous	790 Hz	490 Hz
Wail /10 sec.	470-790 Hz	180-500 Hz
Fast Wail /3.5 sec.	600-790 Hz	300-500 Hz

Pole Mounts

Wood, steel, composite or concrete poles can be provided. Contact Federal Signal for details.

Communications

Federal Signal can supply one-way and two-way communications. Radio, IP, Landline, Satellite and Cellular can be combined to provide a robust alerting solution.

Coverage

	2001-130	Equinox
70dB	6,500' Calculated[2]	6,100' Calculated[2]
60dB	13,200' Calculated[2]	12,200' Calculated[2]

Dimensions

Height x Width x Depth 62" x 37" x 41" (157cm x 94cm x 10cm)

Weight

Shipping Weight 460 lbs. (205 kg)

Environmental

Operating Temperature -30°C to +60°C[3]

[1] Contact Federal Signal for powering options

[2] Actual coverage is dependent on many factors, contact Federal Signal for sound analysis of your specific location

[3] The siren can operate throughout this temperature range provided that battery temperature is maintained at 18°C or higher

[4] Batteries not included

[5] See Product Selection Guide for ordering options

Siren Ordering Information

2001-130	Rotating electro-mechanical siren 130 dB(C) +/- 1dB(C) @ 100' (30.5m) 48VDC, pole mount included
Equinox	Rotating electro-mechanical siren, Low Frequency

Siren Control Ordering Information

FC/H/U	One-way FC Controller, 120VAC operation
FCTBD/H/U	Two-way FC Controller, 120VAC operation
DCFCB/H/U	One-way FC Controller, 120VAC to battery operation[4]
DCFCTBD/H/U	Two-way FC Controller, 120VAC to battery operation[4]

Command and Control for Multiple Siren Installation

SS2000+/R	Console for siren activation (R for rack mount)
SFCD[5]	Commander software for PC based siren activation, monitoring and control

REQUEST FOR COMMITTEE/COUNCIL ACTION

COMMITTEE/COUNCIL NAME: City Council
Committee/Council Meeting Date: November 14, 2016
Agenda Section: New Business
Originating Department: Administration
Item Number: VI – F
ITEM DESCRIPTION: Golf Cart Ordinance Amendment
Prepared by: Staff
COMMENTS:
Renee Eckerly will give a verbal report. Excerpt from the September 27, 2016 Public Safety Committee Meeting:

GOLF CARTS

The Committee discussed the issue of medical notes being required. Wegner suggested that DOT Medical Cards be added into the ordinance as another acceptable form of medical ability to drive a golf cart. To date 20 operator permits have been issued. Members discussed having a valid driver's license being enough and not having to provide a medical card. It was clarified that a medical card is NOT the requirement. It is a sentence or two stating the person has the ability to drive a golf cart. The Committee discussed the discrimination issue of having the driver's license utilized. Wegner conducted a demonstration by distributing a list of names and asked the Committee to determine who could or could not drive a golf cart. It was stated that 16 year olds get their driver's license automatically. It was clarified that no, 16 year olds go through driving classes, so many hours behind the wheel, and are tested by an certified examiner. The driver's license application has questions 4-6 regarding any medical conditions to safely operate a motor vehicle (Do you use injectable insulin, do you use any medication other than insulin to control loss of consciousness or voluntary control). It was questioned why there isn't a class on golf cart safety. It was stated that offering a class would be a waste of taxpayer money. It was further stated that the ordinance takes away peoples freedom. The permit takes less than 5 minutes to complete.

> Motion was made by Wegner to include/add a DOT health card in lieu of a doctor's note to the ordinance and recommend such to the City Council. Seconded by Liestman and passed 7:1 (Eckerly, yes; Wegner, yes; Liestman, yes; Klingfus, yes; Thielen, yes; Thompson, yes; Mayer, yes; and Wendlandt, no).

The City is giving the resident's an option to drive the golf carts. The Committee discussed that if this topic doesn't stop it will be recommended to the City Council to rescind the ordinance and then carts can only be driven to and from the golf course (out of town) like snowmobiles.

Roads – No roads should be eliminated from allowing golf carts to be driven on. It was questioned if bikes are also going to be restricted from those same roads. The State does not give the authority for the City to restrict bikes, but does give the authority to restrict golf carts. Stearns County restricts golf carts on their streets unless the road meets their criteria.

It was stated that there are towns around here that don't permit golf carts they just let people drive them. It was stated that other towns chose to ignore the golf carts and make it a liability if there is an accident. (Thompson and Thielen left at 6:25 p.m.)

There was some discussion on offering a Community Education class on golf cart regulations for a cost.

ADMINISTRATOR COMMENTS:
COMMITTEE/COUNCIL ACTION:
Motion to approve Ordinance No. 165, 2nd Series Amending the Golf Cart Ordinance and direct the City Attorney to draft the amendment.

Re: Water Treatment Plant Air Stripping Tower
City of Paynesville, Minnesota
BMI Project No: R21.111286

Dear Renee:

Enclosed please find three signed copies of Payment Estimate No. 1 for the above referenced project. The estimate reflects all work completed through October 25, 2016. We have reviewed the estimate and have approved it as submitted. Please review the estimate and, if acceptable, sign and date all copies of the estimate and forward one copy to Rice Lake Construction Group with payment, one copy to myself and keep one copy for your records.

Thank you for taking the time to review this estimate. Please feel free to call me if you have any questions or would like to discuss the estimate.

Sincerely,

Bolton & Menk, Inc.

Dear Ms. Eckerly, Mayor Thompson and Council Members,

We have received your 2016 appropriation, in support of the work of the Initiative Foundation, in the amount of $250. **Thank you!**

Together, we work to build strong local economies and vibrant communities in Central Minnesota. Your investment supports economic development through business financing activities designed to create living-wage jobs, diversify economies and leverage private sector investment. Communities are strengthened through signature leadership training and capacity building programs, grants to local units of government and nonprofit organizations, early childhood initiatives, and scholarships. This work will provide lasting impact on the health of the region and the future of rural Minnesota.

We truly value your partnership and your continued support.

Sincerely,

Kathy Gaalswyk
President

Thanks again!

Carrie Tripp
Vice President for External Relations

We appreciate all you do for Paynesville and the region.

MEMO

TO: **City Clerks/Administrators**
Township Clerks and Township Chairs

FROM: **Angie Berg, Land Use Division Supervisor**

DATE: **October 28th, 2016**

RE: **Public Hearing**

RECEIVED
OCT 31 2016

Notice of Public Hearing
And
Notice of Intent to Enact Ordinance Number 546

Pursuant to Minnesota Statutes, Chapter 394 and Chapter 375, notice is hereby given that the Stearns County Board of Commissioners shall conduct a public hearing on Tuesday, November 29, 2016 at 5:10 p.m. in the County Board Room, Stearns County Administration Center, 705 Courthouse Square, St Cloud, Minnesota to consider the enactment of Stearns County Ordinance Number 546.

The purpose of Ordinance Number 546 is to amend Stearns County Ordinance Number 439 related to solar energy, wineries, signs, conservation overlay district, shoreland alteration permits and other miscellaneous changes.

Copies of the proposed ordinance changes are available upon request or online at http://www.co.stearns.mn.us/. All interested persons are invited to attend said hearing or submit written testimony prior to the hearing date. Written testimony should be submitted to Angie Berg, Stearns County Environmental Services Department, Stearns County Administration Center, Room 343, 705 Courthouse Square, St Cloud, Minnesota 56303 or via email at angie.berg@co.stearns.mn.us.

Steve Notch, Chair
Stearns County Board of Commissioners

Barrier Free Status: This meeting will be accessible to the handicapped. Attempts will be made to accommodate any other individual need for special service. Please call Jeanne Ahmann at (320) 656-3613 early so that arrangements can be made.

Re: Offer to Purchase
Paynesville, Minnesota

Dear Renee:

Regarding the accepted Offer to Purchase between the City of Paynesville, as Seller, and Kwik Trip, Inc. ("Kwik Trip"), as Buyer, for property located in Opportunity Park Second Addition, Paynesville, Minnesota ("Offer"), this is to confirm that Kwik Trip received its survey on November 1, 2016. As you know the Offer states that the Contingency Date and Closing Date shall be 180 days from Buyer's receipt of its survey. Accordingly this shall constitute formal notice that the Contingency Date and Closing Date shall be April 30, 2017.

I would appreciate it if you would obtain the signature below confirming the Seller's agreement to the contents of this letter and return a signed copy of this letter to me via email at Kklug@kwiktrip.com.

Thank you.

Very truly yours,

KWIK TRIP, INC.
